

WTTC SUMMER LEAGUE

STTA LEAGUE 2011 / 2012

Waterside B and Castle are winners

This year's Summer League proved to be as popular as ever with an increase upon numbers compared with last year. What was most encouraging was the way matches were played in a competitive but very friendly and relaxed atmosphere.

Division 1

This was a close run contest between Bournemouth and Waterside B. When the two teams met, Bournemouth were the clear 5-0 winners, but **Waterside B** were the eventual winners.

Waterside's averages were:

Geoff Ware Waterside B 83.3%
Tim Gray Waterside B 75%

Division 2

Castle were this year's Div 2 winners. Their team of Glenn Phur and Mike Wooding proved to be too strong for the rest. Second place is going to be very close between three teams, with a few more matches to be played.

Castle averages were:

Glenn Phur Castle 87.5%
Mike Wooding Castle 83.3%

Finally a big thankyou to John Fox for masterminding this competition by juggling and rearranging matches and keeping everyone happy, well nearly!

Summer League Presentation

Trophies for the Summer League (Divisional winners and runners up) will be presented at the Jarvis Bat Testing evening at Testwood which is on Monday 5th September at 7.30pm.

NEWS FROM WTTC AGM

Please download the minutes of our AGM that was held in July from the website.

Vacancies on the Committee

Mike Paterson, who has been our Treasurer for a number of years has moved to Wales, so Ian Waldock is our new treasurer. We still have a vacancy for a Press Officer as well as vacancies on the Committee. If you would like to join us then please get in touch. The committee meets once a month.

Membership and Fees

We have decided to keep our Southampton League Fees and our National Cadet League Fees the same as last year as there has been no significant increase this year. However, to cover the increase in hiring fees of Testwood we will be making relatively small increases in Membership fees and practice fees.

HELP!

Thanks to Trevor, Ed, Bob and family as well as members of the committee for your help at the many weekend events that we held last year. We would like more members to give just a little bit of their time to help in the coming season.

Did you know that our greatest source of revenue is from various weekend events that we run for Waterside, STTA, Hants TTA, ETTA and others? This is from hall hire, tournament fees and refreshments.

If we don't get enough helpers, we will make less money. This would then mean an increase in player fees etc.

So your help could mean that fees stay at a reasonable level.
