

Table Tennis Club Venue Layout & Use Guidance under Covid-19

Example: Sports Hall
Session: Club open practice

General Principles

In line with our [5 stage process](#), Stage 2 – Limited Club Activity, clubs will need to consider the following measures to ensure club rooms are as safe to play in as possible by: reducing table numbers, the length of sessions, the number of players allowed into the venue at any one time and increasing playing fees to cover costs. The guidelines below are recommendations for when club play does resume and may need to be tailored to fit individual facility constraints. Please also refer to the Hygiene and Facility Guidance document, which has additional detail in some areas. Stage 2 will now be in a position to commence from the 25th July 2020, following the government announcement on the 9th July.

Venue Set Up

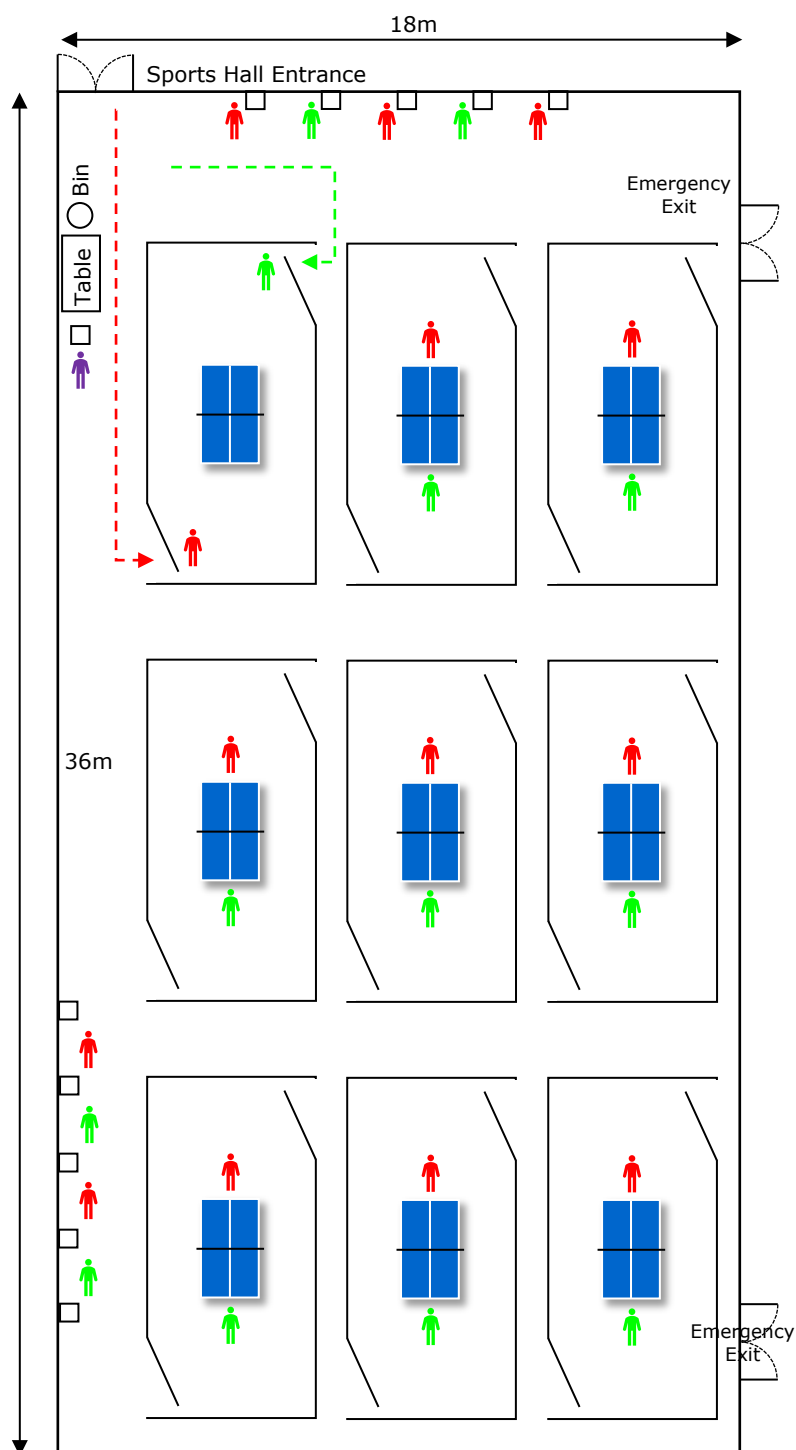

- Court size 9m x 4.5m
- Designated walkways to courts → → ensuring 1m+/2m distancing
- Venue to be kept well ventilated, with any ventilation system kept on or windows/doors remaining open wherever possible *
- Fixing doors open that can be safely left open where feasible
- Bags to be taken into courts
- Table at entrance for hand gel
- Organiser to wear gloves for setting up and wiping down the tables and chairs after the session
- Organiser to keep a register of players for track & trace
