

As a result of COVID-19, we at **Waterside Table Tennis Club** have updated our Codes of Conduct to ensure that a return to play following COVID-19 is safe and in accordance with Table Tennis England and Government Guidelines.

Your welfare, and the welfare of fellow club members is paramount. Please note that it is the responsibility of all members of **Waterside Table Tennis Club** to ensure that the following principles are followed;

- If you are showing coronavirus symptoms, or any of your household are self-isolating, you must stay at home and not use our facilities.
- You must contact the club by telephone or email prior to attending if you or any of your contacts/household test positive for Coronavirus
- If you wish to play, you must book your place at a session in advance
- (initially with Colin by e mail)
- You must register or sign in on arrival so that we can keep a track of who has visited the Club
- You must adhere to social distancing guidelines at all times
- Members must adhere to good hygiene practices throughout their time at the Club
- Equipment cannot be shared within a session. Players should bring their own bats, and any equipment belonging to the Club must be cleaned after use.
- Balls should be washed regularly to minimise risk (this has been adjusted from the previous advice about using different balls for each player)
- Players can play in bubbles of up to six people (see TTE guidelines for more details)
- Table tennis etiquette, which requires contact (shaking / slapping hands etc) must be suspended for the time being.
- Players should use one side of the table and not swap ends.
- There must be the minimum of a ten-minute break when players using the same table are swapping over.
- Players must wipe down their side of the table upon finishing their session.
- Proper hand washing with soap (or hand sanitiser as a second best) should occur before and after any activity at the club.
- Members must bring their own drinks bottles which are brought in and taken away every session.

Waterside Table Tennis Club is committed to the safety and welfare of its members. As such, we will take the following measures;

- We will keep members updated with changes in processes or protocol relating to Club activity
- We will keep communal areas closed where possible until restrictions are further lifted
- We will implement a booking system to limit the numbers attending sessions to enable social distancing
- We will provide information on good hygiene practises
- We will ensure our Coaches are equipped with the necessary knowledge to deliver sessions in accordance with Government and Table Tennis England Guidelines
- We will do our best to keep up to date with Table Tennis England Ready to Return Guidance, and Government advice
- We will make decisions based on the best interest of our membership
- We will regularly review and update our risk assessment relating to COVID-19.
